## Woman's Shirts

Unfortunately, we do not have a sizing chart for the woman's cut, but if you are wanting one then please be aware that the woman's fit is tighter and tapered in the waist as well as shorter sleeves. If you have not previously brought one of On Cue's ladies pool shirts, then you are more than welcome to go into their store at 46 Montreal St, Christchurch to try one on for sizing before ordering

### PLEASE NOTE:

This is a unisex pattern. On-Cue have upgraded the pattern so now the sleeves are a little smaller and the overall length is shorter so please go by the chart sizing to make sure of the size you require.
