

Remit

Rangiora RSA Club Golf Section wish to put forward the following remit at the upcoming Delegates meeting to be held at the Clubs New Zealand 2024 National Men's Golf Pairs Tournament (Pen Hawkins) in Invercargill.

Motion

Participants handicaps are limited to a maximum playing handicap of 30

Notes

The reason being under the new Handicap system a player can no longer increase their handicap by more than 5 shots in a year which has stopped the major farming of their Handicap. Also, as the age of golfers in this Tournament are getting older and fields getting smaller this increase will allow more members to play thus increasing Tournament numbers.
